There will be 1 show. Dancers with more than 1 costume should put them in a laundry basket, NO HANGERS. Student Names should be on every piece of costume, including hats. If your dancer is in the first half of the show, you will be able to get your child immediately after they perform. Dancers can then sit with you to watch or you may leave.

Spring Break

April 4-8

Studio is closed.

Show Rehearsals – Wednesday, May 11th and Thursday, May 12th. Times are specific to classes and schedule will be published during picture week. Rehearsals are at the USCA Convocation Center. There are **no costumes** worn at rehearsal. **Proper dancewear and shoes** for dance routines should be worn at rehearsal. All dancers must be at rehearsals to perform in the show. Very few dancers will need to be at both rehearsals.

Backstage Help – 1-2 Volunteers from each class are needed for Pre-school classes. See your child's teacher if you would be able to assist. This will help comfort kids and make the show go smoothly. After your child's class is in the line-up, you may go out to the auditorium to watch. Unfortunately, this is a job better suited for moms than dads (girls are changing backstage a lot). Thanks for your support.
