New Classes Begin Jan 6th!

Burns Dance Studio will be offering a **Beginner Contemporary class on Tuesdays from 3:45 to 4:30**. The most popular genre of dance today is Contemporary. Is your 9-12 year old looking to start something new in 2025? This class will be great for flexibility, coordination, exercise and self-expression.

We will also offer **Tap and Musical Theater combination class on Thursdays from 6-6:45**. Singing, Acting, Dancing, Tapping....what a great way to start your child's dance journey. Our teachers use songs from popular musicals and shows to get your 4-5 yr old dancers moving and shaking. Tap is great for rhythm and balance. This combination class will offer tap and musical theater instruction each week.

Registration is underway for these 8 week classes that will begin Jan 6th. \$9.99 registration fee with a monthly tuition of \$65.00. As always, there is a discount for already enrolled families.
